

Plan New Rooms For City Hospital

Addition of From Eight to 10 Rooms Is Approved; Directors Are All Reelected

An early addition of from eight to 10 rooms to the Hamlin Memorial Hospital is in the planning stage, and may become a reality early next year, members of the board of directors revealed this week.

Approval of an addition to the hospital was given unanimously by stockholders in the annual meeting in the high school auditorium last Sunday afternoon. Members of the building committee are W. L. Fletcher, C. E. Gregory and Tom Vaughan.

Need for the addition arose when the present plant of 13-bed capacity became overcrowded early this summer, W. L. Fletcher Jr., chairman of the board, said.

It is estimated that an addition of the size contemplated will cost from \$20,000 to \$25,000, Fletcher pointed out. The hospital would have to arrange financial assistance if the building program is adopted, he said.

In a report of the financial condition of the institution, it was revealed that approximately \$7,000 has been paid on outstanding indebtedness of the hospital during the past year.

Not only have the mortgage debts been reduced, but all outstanding open accounts have been paid in full, the report said. Open accounts amounted to approximately \$2,900 less than 12 months ago.

Fletcher, F. W. Poe and C. E. Gregory, directors whose terms were due to expire this year, all were re-elected to positions on the board of control.

In a meeting of the board following the stockholders meeting, Fletcher was re-elected chairman, J. Turner Jr. was elected vice chairman and Clifford Phelps was re-elected secretary for the coming year.

Other members of the board are

Two Families Lost All in House Fire

Two families in the southwest part of Hamlin lost all of their furniture, clothing and personal effects in a fire which consumed their dwelling about 7:00 o'clock Monday evening.

The house was occupied by Mr. and Mrs. E. E. Neagle and family and Mr. and Mrs. Shorty Lloyd and family.

The blaze caught from a leaking kerosene stove, and spread throughout the building before fire fighting equipment could reach the scene. Only small children of the families were at home when the fire started.

The oil stove had caught fire earlier in the afternoon and the blaze had been smothered out by the oldest child, who was preparing supper. It flared up again while she had gone outside for a bucket of water.

The Lloyd family had arrived here Sunday to pick cotton.

Set Examinations for P. O. Clerk Job Here

Examinations for filling the position of substitute post office clerk and carrier in the Hamlin post office, were announced this week.

Salary for the job is \$1.29 per hour. To be eligible to take the examination, an applicant must be within the delivery area of the local post office, or be a bona fide patron of the office.

Applications must be filed on or before October 24. (Applications and additional information may be obtained from the Hamlin post office, A. B. Rowland, secretary of the local civil service board, said.

Rainfall for Week It Measured at .60

Rainfall in Hamlin for the past week measured .60 of an inch prior to Monday noon, Bill Rountree, city water superintendent, said.

A light drizzle early last week accounted for .22 of an inch, and showers shortly after midnight Sunday brought an additional .38 inch to make the total.

Tom Vaughan, M. S. Johnson, Alton Mayfield, Raleigh Reynolds, Turner, Poe and Gregory.

Fletcher told The Herald this week that the hospital is believed to be on a firm financial basis, and under the contract with Dr. Hawkins and Dr. Perrin, it is believed the institution can be entirely free of debt within a few years.

Dr. E. J. Hawkins, head physician, announced this week that another doctor will be added to the staff within the next few weeks. He said the name of the doctor is not available for publication at this time, but will be announced when final arrangements have been made.

Gospel Meeting Set For Celotex Sunday

A gospel meeting will begin Sunday evening, Oct. 16, in the Community house at Celotex, with Lee E. Rawlings, evangelist of the local Church of Christ, in charge.

Services will be conducted at 7:30 each week day evening until close of the meeting, Oct. 22. The Hamlin Church of Christ is sponsoring the series of services.

An early service will be conducted in the local church Sunday evening

at 6:30 to permit members of the congregation to attend the Celotex service.

Subjects for the meeting, as announced by Rawlings are: Sunday: "Are all Religious People Christians?" Monday: "Can We All Understand the Bible Alike?" Tuesday: "Our Authority in Religion." Wednesday: "Which Church Did Jesus Establish?" Thursday: "Is the New Testament Church in Existence Today?" Friday: "Is Baptism Essential to Salvation?" Saturday: "The Salvation of the Thief."

Jimmie Frances Lane Gets Suspended Term

A suspended sentence of five years in the state penitentiary was given to Jimmie Frances Lane, Negro woman from Hamlin, who was found guilty of manslaughter by a jury in Anson district court last week.

The woman had been charged with having stabbed James Cooper, 23-year-old Hamlin Negro, to death at her home the night of June 25. She killed Cooper with an ice pick. She testified in court that Cooper was drunk and had beaten her. "I was afraid he would kill me," she said. She told the jury of having received serious injuries at the hands of Cooper.

PLANNING BOARD TO MEET.

A meeting of the Hamlin Civic Planning Board will be next Monday evening, October 17, in the Johnson Drive-Inn cafe, I. R. Huchingson, chairman, said.

Mr. and Mrs. Jim Richardson of Sundown have been visiting Mrs. Richardson's mother, Mrs. Lala Harbert, and other relatives in Hamlin.

John Nowlin of Los Angeles is a guest this week of Mr. and Mrs. M. S. Johnson in Hamlin.

Christmas cards at the field.

Shout, Mrs. J. S. Norton, Bob Nunley, Elementary athletic coach, and Miss Maggie Mae Seymore. (Photo by Nell).

'Hitch Hike' Club to Offer Rides to Fans

In an effort to stimulate greater attendance of Hamlin grid fans at out of town games, a new service for those without cars, was announced this week by Mrs. Brad Rowland.

Persons who plan to take their cars to out of town games are requested to notify any one of the three Hamlin drug stores, indicating how many passengers they can accommodate.

Mrs. Rowland said that those who lack rides can call the drug stores and get in touch with transportation.

The share-a-ride idea was developed at the last meeting of the Hamlin Civic Planning Board and Mrs. Rowland was named on a committee to make necessary arrangements.

Mighty Mice Trounce Merkel Juniors 34-21

Hamlin's Mighty Mice ran over the Merkel Badger Cubs in a game here last Thursday evening, when the final score was 34 to 21.

A preliminary game between fifth and sixth grade teams gave Merkel the long end of a 20 to 0 count.

The Mighty Mice were slated to play Anson at Anson Thursday evening of this week, and a return game with Anson on the Piper field Thursday of next week.

17 Young Men in Registration for Draft for Month

Draft registrations were filed by 17 young men from the three-county area served by the Anson local selective service board during the past month, it was reported this week.

Under the selective service law each boy who reaches the age of 18 must register for possible military service.

Those who registered during the past month include three from Hamlin. They are: Maurice Ford, Rt. 2; Guy Richard Campbell, and Ted Kay Kelley, Rt. 1.

Others registered are: Billy W. Jones, Moran; Billy Duane Alexander, Knox City; Johnnie Powell, Brewer, Haskell; Dan Gauntt Michael, Rochester; John Edward White, Lueders; Andy Dale Wilfong, Haskell.

William Eugene Daughtry, Stamford; Kenneth Wynne Kelso, Hawley; Joe William Howard, Haskell; Clifford Witherspoon Stone, Anson; Carlton Leon Long, Haskell; Kenneth Ray Easterling, Haskell; Jimmy Louis Bledsoe, Haskell, and Charles Calvin Young, Stamford.

The selective service office in Anson is open now for only part of each week, it was announced. The office will be open all day each Monday, and each Wednesday and Friday mornings.

Tate May returned this week from Rochester, Minnesota, where he had gone to take Mrs. J. W. Ezell for a checkup and treatment in Mayo Clinic.

Pipers' Record May Fall Friday

Hard Game Expected as Hamlin Team Faces Second Loop Battle; Goal Line Uncrossed

Hamlin's fighting Pied Pipers, riding high in the western half of District 6-A, may see their record tumble Friday evening when they face Roscoe in the second conference game of the season.

The Pipers have managed to keep their goal line uncrossed in the first four games of the season. Hamlin is one of the few teams in the state that has not been scored on, sports writers in the daily papers have said.

The local squad is the only one in the western district that has not lost a game during the season. However the record reveals that four teams have not lost a conference contest.

The four with perfect district records are Merkel, Hamlin, Colorado City and Rotan.

The Pipers will go to Roscoe Friday evening to meet a team defeated only once in district play, and with three losses for the season. However, Coach Jesse Burditt pointed out this week, the Roscoe team is a powerful one and anything can happen.

In last week's district game with Roby, the Pipers took the long end of a 33 to 0 count.

The first touchdown came when

Five Escape Injury In Auto Accident

Only slight injuries were suffered by five Hamlin people Monday night when the automobile in which they were riding went out of control and overturned on the Anson highway near Radium.

A tie rod on the car came loose, members of the party said, and caused the car to overturn.

Winston Green, driver of the car, was in the Hamlin Memorial Hospital Tuesday being treated for an injured back and cuts and bruises. Mrs. Billy Beene sustained a cut over her left eye, and body bruises. Billy Beene escaped with superficial cuts and abrasions. LeWayne Butler was treated for bruises and was dismissed from the hospital.

The group was en route to Abilene to attend a wrestling match.

Elementary Students To Get Vaccinations

Students in the Hamlin Elementary school will be given free inoculation against typhoid, diphtheria and smallpox, Marvin Carlton, principal, said this week.

The program was adopted by the Parent-Teachers Association, and will be entirely voluntary on the part of students. Slips giving permission for the shots, are being filled out and signed by parents this week.

Doctors of Hamlin are donating their services in giving the shots, the serum is being furnished by the state, and all expense is being paid by the PTA.

Don Roland scored on a pass from Joe Allen Dean. Joe Allen later carried the ball across for two more counters. Sugar Green took it over for one, and a pass from Rowland to Robert Fletcher accounted for the final.

Hamlin made 13 first downs, to 7 for Roby, and piled up 279 yards in rushing while the Lions were taking only 160.

Trades Events to Be Discontinued; New Plans Eyed

Saturday, October 8 marked the last of Hamlin's trades days, Mrs. E. M. Wilson, secretary of the Chamber of Commerce, announced this week.

The event was discontinued after members of the trade extension committee had voted to discontinue the program. It has been in operation here for the past several years, and some merchants had expressed dissatisfaction.

A fund collected for the trades day drawings will be kept intact to be used in other methods of trade extension, Mrs. Wilson said. The fund amounts to more than \$100.

Members of the committee were searching this week for a substitute plan to bring customers to Hamlin. They were also studying plans to be used in a Christmas program.

Rotarians Hear Talk On Milk Production

A talk on production of milk in Texas, comparing this state's total production to that in other states, was given at the Hamlin Rotary Club meeting Wednesday at noon.

J. B. Dillingham of Abilene, an official of the Banner Dairies, was the speaker. Dillingham said much of the milk used here must be shipped in from as far as Wisconsin and Minnesota.

He said that Texas is third in the number of cattle, yet ranks 43rd in the production of milk and its products.

Tate May told of his visit to the Mayo Clinic in Rochester, Minnesota, and said he attended two Rotary clubs while he was gone. He said the city of Rochester has available 32,000 beds in hospitals and it is honeycombed with subways connecting to nearly any hospital in the city.

O. D. Roland will be in charge of the program at next week's meeting.

Mrs. Marvin Hill, Mrs. Jack Smith, Mrs. Albert Haight and Miss Nora Bell Hill of the Hitson WMU, attended a school of instruction in Roby Wednesday.

No Action Taken On Labor Complaint

Chamber of Commerce Plays "Hands Off" In Alleged Charges of Discrimination

It was "hands off" of the explosive racial discrimination problem Thursday morning when the Chamber of Commerce board of directors met to discuss how additional Mexican labor can be induced to come here for the record cotton harvest.

The board meeting was called by Haskell Carter, president of the civic club, after reports had been circulated that Hamlin is on the "black list" for Mexican cotton pickers.

The meeting was attended by a gin man, two druggists, a barber and others interested in the problem, in addition to the directors.

It had been suggested earlier this week that cafes and drug stores in Hamlin should relinquish their policy of serving only white people at least until the cotton harvest has been completed here.

Discussion in the meeting indicated that none of those with such establishments believed such a course wise.

Jimmie Simmons, barber, said it has been his policy for years to refuse service to people of other races, and that he will continue that policy.

Clifford Reynolds, owner of Reynolds Drug Store, said if he relaxed the policy of refusing fountain service to Mexicans and other races it would drive away much of his white trade.

The same opinion was expressed by Jerry Waggoner, representing the Waggoner Drug.

Joe Culbertson, cotton farmer, said the big problem facing cotton producers now is how to get their cotton ginned ever after it is harvested. He said it is his opinion that a relaxing of racial bans would not help to solve the problem being faced locally.

Watts Fletcher, manager of the Farmers Cooperative Gin in Hamlin, discussed the rules that have been provided for obtaining laborers from Mexico, and pointed out that bonds and other expense incident to getting the pickers here makes it prohibitive for the average farmer.

The meeting adjourned without any action being taken. It was pointed out that the Chamber of Commerce could not, even if it wanted to, force any business firm to change the policies now in effect.

Roby Cafes Drop Racial Bars in Try For More Mexican Cotton Pickers

Cafes in Roby announced publicly last week that they will no longer refuse service to Mexicans, as they joined in a concerted effort to have Fisher County taken off the "black list" for Latin-American cotton pickers.

Two cafes in the Fisher county seat announced through the local newspaper that they would no longer refuse to serve the customers from south of the border.

At the same time Sheriff R. L. Wilkins wrote a letter to the consul general of Mexico at El Paso, in which he said: "As a peace officer and citizen I am anxious to do all I can to promote harmony between my country and yours."

"Please be assured that I will do all within my power to prevent and discourage any discriminatory practices toward citizens of your country, or our own valued citizens of Latin-American origin."

The movement to remove racial bars was begun by the Roby Junior Chamber of Commerce and the Lions Club, both of which signed an open letter to business people of Roby, asking that Latin-Americans

be accorded the same service and courtesy extended to other customers.

Cotton farmers of the Roby area have been unable to harvest their heavy crop because of a dearth of pickers, and it was hoped the movement will result in larger numbers of Mexican laborers being sent to that vicinity.

Several Wells in Area Completed; Locations Set

Official gauges of production were filed for several wells in the Hamlin area this week, as locations for new wells were staked and preparations made to extend the local field.

Texas Company filed official gauge of 578.2 barrels of 41.8 gravity oil in 24 hours for the No. 8 D. W. Stephens NCT-1, west offset to production northwest of Royston.

The well flowed from open hole at 4,849-66 feet through 20-64 inch choke. It was treated with 4,000 gallons of acid.

The Round Top Oil Company, No. 4-S Merry Brothers & Perini, et al, produced 193-22 barrels of oil in 24 hours from the open hole in the Swastika. The well drilled to 3,923-36 feet. Flow was through quarter-inch choke.

Official gauge of 165.64 barrels of oil in 24 hours has been filed for the Texas Pacific Coal & Oil Company, No. 4 A. E. Pardue Act. 1.

Production was from open hole at 5,910-135 feet through half-inch choke.

Ungren & Frazier have moved in on the No. 3 Farnsworth south of Hamlin and were drilled at 1,000 feet Wednesday night. The well is being drilled with rotary tools.

Wood Drilling Company, moved in on a location two miles south of Royston Tuesday night.

Pay was expected in the McCright well southwest of the Round Top field sometime Thursday, and drilling officials were studying formations.

The No. 6 M Flores-A was completed Wednesday night, but no test had been run on the hole late Thursday morning.

The M. Flores 4-B has been abandoned because of a cavity and the rig is being skidded to a nearby location for another try.

Food for Propaganda

Much material for the communistic propaganda mill was provided recently by a gang of hoodlums in a Texas city, when they forcibly broke up a peaceful meeting of members of the Jehovah Witness sect, and forced them to leave town.

A similar inexcusable incident took place several weeks ago in Duncan, Okla., when fighting broke out between members of the sect and the self-appointed censors of religious thought for the community.

It is understandable that men who went into battle for their flag should resent the preachments of this sect which forbids a salute to that flag. It is natural that they should be in sharp disagreement with their philosophy. But, it is hard to understand how men who fought for the principles of freedom can now so boldly defy others in the exercise of those same freedoms.

Mob action will not serve to advance the causes of democracy, nor will it tend to discourage the spread of this sect. It will, in fact, serve as a stimulant to greater growth of the Witness movement. Persecution throughout history has helped to spread the doctrines of those persecuted.

If members of the sect were violating a law of the land they should have been arrested and prosecuted in due form. If they were not violating the law then they should have been permitted to conduct their meeting in peace. The right to think and to worship as one wills, are sacred rights and guaranteed by the constitution. Some courageous prosecuting attorney could win glory and honor for himself if he would file charges against some of the self-ordained arbiters of religious thought who seek to make other minds in their own image.

The Herald is in complete disagreement with the teachings of Rutherford's disciples, and it holds no brief for their theology. But The Herald is in greater disagreement with these organized hoodlums who would deny to any sect, however peculiar its teachings, the right to peaceably assemble and propagate its beliefs.

Such outbursts of lawlessness are providing the communists with much valuable propaganda material.

PETE SAYS COLUMBUS WASN'T SO SMART; ANYBODY COULD DISCOVER ANYTHING AS BIG AS AMERICA

scuddyhoo, tecksas

Things One Remembers

The taxpayers of the United States are asked to provide billions of tax dollars annually to defeat the spread of communism, which is just another name for socialism. We just finished a war to block aggression that cost us thousands of lives and hundreds of billions of dollars.

In the same breath we are asked to authorize billions more in taxes to permit our own government to go into business and ultimately drive its own citizens out of many fields of activity, including local self-rule—witness our Federal program to own or dominate hydro-electric power production, housing, medicine, education, loans and grants, farming through subsidies, and now stea melectric plants, steel production and a long list of other activities.

What is socialism? As defined by the Socialist League of Britain about 1884, "Socialism means that the land, the capital, the machinery, the factories, workshops, stores, means of transit, banking, and all means of production and distribution of wealth must be declared and treated as common property." Today England has accepted this doctrine and the United States seems bent on following in its footsteps.

Why are we opposed to the spread of socialism and communism when we authorize our own Federal government to extend that doctrine at home as rapidly as it can be forced down the throats of unwary, tax-burdened citizens under appealing disguises?

Truman has promised security from the "womb to the tomb," but if he were as astute as he claims to be, he'd go a step further and pledge security in the next world as well. However, it is entirely possible that his five-percenters don't have much influence in that realm.

Never contract the horizon of a worthy outlook by the selfish exaction of all another's time and thoughts—Mary Baker Eddy.

No one can save himself without God's help, and God will help each man who performs his own part. —Mary Baker Eddy

in yeers," and thin she kinda stopt fer a minit, th'n she sed, "nor nun of yore othr bills neethir."

but it seems to me, mistar harold, that this cuntry wood haiv bin a lot bettir off if columbus had of left us undiscoverred. i dont no thow whut yurrup wood do fer sum cuntry to borry money frum thow, if he had.

ennyway whin maw sed whut she did it maid paw mad as blazes and he jumpt up out of his chare and sed "wumman, that is the last straw. i dont mind takin insults frum you abowt my mannirs, and i dont git mad whin you correck my tawkin, but whin you insult my honistv that is jest goin to fur, i'll haiv you no that i sprung frum a honist fambly."

and maw sed "i dont dowe that a bit paw, but the trubbil is you wint and sprung to fur."

i thawt i wood help thangs a littel bit so i sed "paw i gess yore fathir didnt raze you rite," and he relly got mad thin, he lookt at me kinda feerce and sed "yung man i wunt you to no my fathir wuz a blaimed sita bettir thin yorn."

maw sez whin paw gits mad he aint got no sents atall hardly.

hoapin you are the saim,

yores troolie,

yore frend,

Headed Right

Protection of Profits Is Vital for the Economic Welfare of All Americans

By DR. ALFRED P. HAAKE

The obvious answer to the question, "Who cares about profits?" is "the people who get them." And immediately the cynics get ready to laugh. At this point the so-called "liberals," "modern humanitarians" and "social equalizers" would stop. They would do away with profits. For example, a widely known preacher, who married a rich wife and enjoys luxurious living from her profits, states publicly that we ought to do away with the profit motive. And all the brood of Karl Marx, including the allied "front" organizations, are likely to denounce profits.

If profits were of importance to the rank and file of the people, instead of merely to the rich, there might be more careful thought given to profits. We might even take action to protect them. So let's ask ourselves the question, "WHO OUGHT TO CARE ABOUT PROFITS?"

There are 428 larger corporations which report names of stockholders. There are hundreds of thousands of other corporations which do not report the ownership of their companies, but it is likely that these smaller corporations which do not report, have even more "little people" among their stockholders, than do the big ones. So the figures of the 428 which report ownership can be taken as a conservative example of the truth.

The dividends of these 428 corporations are divided among about 13 million stockholders. Two dollars out of every three dollars of the dividends go to stockholders who have less than \$100 a week income. What is even more significant, these stockholders are able to retain about 83 per cent of their dividends after paying their income taxes.

Now let's look at the "rich" people who are also stockholders. They get less than one-third of all the dividends paid out, and the federal government promptly takes nearly all of those dividends after they are paid. Whereas the people with incomes of less than \$100 a week receive two-thirds of all the dividends and are able to keep 83 per cent of what they get, after paying their income taxes—these awful "rich" people get less than one-third of the dividends to begin with, upon which they are taxed about 80 per cent. This means that after income taxes the "rich" have left for themselves an amount equal only to 4 per cent of all corporation dividends.

So it looks as though a great mass of people who have invested savings in corporations, get about two-thirds of all the dividends and keep nearly all of what they got, to use

for themselves. These people SHOULD CARE ABOUT PROFITS.

Add to them the 70 million people who have savings accounts, 78 million people who hold insurance policies, with funds invested in turn in savings of one kind and another. And we have well over a hundred million people, even allowing for duplications, who get part of their income out of profits which pay return on savings and investments. All of these people OUGHT TO CARE ABOUT PROFITS.

But, among the hundred million people, the majority are wage earners, the very people who are told that profits are bad and ought to be stopped. A great many of them are directly interested in the dividends that come to them out of profits. But ALL OF THEM are interested for another reason.

The tools and machinery which make labor productive and make possible the enormously higher living standard for all people in the United States, have come to us originally OUT OF PROFITS. Destroy profits and we destroy incentive to saving, to investing, we reduce the number and quality of tools and machinery with which labor produces enough for its high standard of living. We would destroy the very source from which churches and schools and all that we call civilization have sprung.

So, in the last analysis, the group that OUGHT TO CARE MOST ABOUT PROFITS, and insist on decent protection for profits, and the encouragement of savings, ARE THE WORKERS THEMSELVES. Their jobs depend on profits.

The first telephone service between New York and London cost \$25 per minute with a 3-minute minimum charge.

Hope for Peace in World Is Seen Only If Nations Adopt Christian Principles

By GEORGE PECK

During the past year there has been published a large number of books the themes of which have been to point out how one can attain peace of mind and get the most out of life. These books have been written by clerics and laymen of all our great religious faiths, and all have proclaimed the BIBLE as the Guide-Book to the better life.

That these books have had a wide sale and reading, most of them having gained the ranks of the best seller class, is a healthy indication that many Americans are reawakening to the great values to be found in the world's long-time best seller—the HOLY BIBLE.

"Except the Lord build the house, they labor in vain that build it." Thus in the first verse of Psalm 127, is described the virtue of God's blessing.

America was built on that precept. Washington and his men were not too proud to kneel and pray to Almighty God—and God heeded their pleas. The United Nations has just gone into session again, and that brings to mind that when this organization was launched at San Francisco, our present-day leaders were ashamed or afraid to invoke the Divine blessing. They did not take into account that, "Except the Lord build the house, they labor in vain that build it." It is said they failed to do so because they feared offending the delegates from the godless communistic nations. This delinquency had all the earmarks of an admission by supposedly Christian America that atheistic communism is more powerful than God.

The one hope of United Nations achieving its main objective of establishing permanent world peace lies in having the spirit of Christ come to dwell in the hearts of men the world over. Mankind has tried just about everything else to bring about peace, ranging from armament of disarmament. All have failed and we still have wars and threats of war.

It is to the shame of America that when the first really concerted effort to stop war was initiated and on our very soil, that the blessing of God was not invoked to guide the deliberations of the delegates as they set about to establish a formula for permanent world peace.

It is about time that we Americans resume our study of the wisdom that lies between the covers of the world's greatest book—the HOLY BIBLE. From it our forefathers drew the strength and wisdom to establish here in America the finest civilization the world has ever known.

THE NINTH NATIONAL BIBLE WEEK is to be observed from October 17 to 23 inclusive. National Bible Week is sponsored each year by the Laymen's National Committee, and organization embracing adherents of America's three great faiths—the Jewish, Catholic and Protestant—composed of men and women who have become gravely concerned about the indifference of all too many Americans to God and to His Holy Book, the Bible. The Laymen's National Committee asks every patriotic American to

join with it in helping to make National Bible Week an even greater success than those held in previous years. Put the Good Book to work, inspire others to do likewise! Back the Laymen's National Committee in its crusade for GOD and for AMERICA!

Texas BRIEFS

Tyler, Texas, produces more than one-third of all the rosebushes in the U. S.

Without leaving Texas you can go to Holland, India, China, Ireland, Italy, Scotland and Egypt. They are all Texas towns.

Edna and Alice, Texas, are named for daughters of a French Court who surveyed the first highway to Mexico.

Texas did not surrender in the Civil War until May 30—more than a month after General Lee surrendered.

Lemoyne, Texas is in Orange County.

Ding Dong, Texas, is in Bell County.

Seewater gets its water from Bitter Springs.

The Rio Grande River is about 1,569 miles long.

Texas has three Declarations of Independence.

Four communities in Texas are named Midway.

A total of 401 different telephone companies operate in Texas.

Undersound in Texas are more than half the known U. S. oil reserves.

If opened to capacity, Texas oil wells would produce more oil in a day than the U. S. could use in a month.

Black, Blue, Green, Lavender, Magenta and Violet are all names of Texas towns.

The Midland County Courthouse once sold for \$1.00.

Exemption from attachment for debt in Texas includes cemeteries, 20 hogs, 20 sheep, 5 cows and the family library.

In Temple, Texas, there is an ordinance requiring all U. S. Presidential trains to stop for five minutes.

Texas ranks third in the U. S. the number of its junior colleges.

Texas' capitol has been moved 13 times.

There are about 35 million acres of forests in Texas.

The world's largest vegetable farm is near Edinburg, Texas.

Texas' Capitol building is seven feet higher than the Capitol in Washington, D. C.

In Texas there are more than 500 types of soil.

In Crystall City, Texas, the spinning capital, there is a 12-foot statue of Popeye.

Texas' Capitol was built with the outlay of one cent in cash.

The Treaty Oaks in Austin, Texas, is the only tree represented in the Hall of Fame in Washington.

Camp Fire Girls Are Visitors at Herald

Members of the Camp Fire Girls and Mrs. Ned Brown, their sponsor, visited the office of the Hamlin Herald last Thursday afternoon and were given a first hand demonstration on how a newspaper is made.

Before they came to the Herald, the girls conducted a business session, in which they selected a group name, "No we tom pat in min" an Indian phrase meaning "for we are friends."

The girls were taken to an ice cream parlor for refreshments by Mrs. J. B. Mason.

Those in the group were Sara Kay Fomby, Kay Meason, Retha Sanders, Renee Moore, Joy Fay Hames, Sandra Stuart, Betty Teague, Gwendolyn Brown and Mrs. Moore.

Lions Hear Talk on Profits, by Rawlings

Lee E. Rawlings, minister of the Hamlin Church of Christ, told members of the Lions Club Tuesday the profit is the motivating force behind all progress.

He said the profit motive is a valuable and worthwhile thing, but people need to revise their senses of value. Those who consider only material profits, he said, add little to the real wealth of any community.

"We need greater emphasis on the spiritual, and less on the material things of life," the minister pointed. He closed his talk by quoting from Walter Winchell, who in discussing the fall of Singapore, said: "Yes, Singapore has fallen, but the Rock of Ages still stands."

Herald want ads pay dividends.

Animals, Clowns, Acrobats Coming To City Tuesday

Elephants, clowns, wild animals and acrobats will be featured in the Stevens Brothers Circus, which will show in Hamlin for both the matinee and evening performance Tuesday, October 18.

The show, which is said to have the largest group of wild animals of any motorized circus, will be under the sponsorship of the Hamlin Fire Department in its appearances here.

One of the outstanding features of the circus will be Dolly Jacobs and her herd of trained elephants. The elephants will make a visit to downtown Hamlin at noon Tuesday, when they will be watered at the Huling service station.

Other features will be the Sanchez family, a recent importation from Mexico, with acrobatic and wire acts; Neilson Sisters, aerialists; Riggs Duo, comedy bar act; Ruth Johnson, high trapeze act, and Tessie Valdez, sensational equilibrium.

Paul Benjamo and his troupe of clowns is one of the most popular acts in the show, and "Oklahoma Shorty" Shear and his trick riders and ropers is always popular in this area.

The show will have its wild animals on public display at 10 a.m. Tuesday.

Students in Contest On Fire Prevention

A poster contest on fire prevention, sponsored by the Women's Auxiliary of the Hamlin Fire Department, is underway in the elementary school this week.

Students are competing by rooms, and each room must submit five posters.

The posters will be judged Saturday morning by a committee consisting of a high school teacher, a fireman and a member of the Auxiliary.

Ricochet means to glance from a surface.

Cotton Prices Hold Steady, While Egg Prices Take Downward Trend for Week

Some southwest farm products brought higher prices during the past week, while many others declined to lower values, the U. S. Department of Agriculture's Production and Marketing Administration reported.

More eggs came on the market this week, as cooler weather stimulated flocks and as more pullets started laying. Prices eased in spots. Most markets quoted young chickens a cent or two lower. Hens also weakened slightly. A few turkeys went to market at 30 to 35 cents a pound for turkey hens and 24 to 30 for toms.

Wholesale markets for southwest fruits and vegetables recorded many

lower prices this week. Liberal receipts at most markets met with rather slow demand. Light receipts at New Orleans had fairly good trading.

More cattle and calves went to market in the corn belt last week than the week before, but fewer calves arrived in the southwest. Beef and veal sold steady to higher for the week, but calf meat weakened. Good and choice killing calves sold from \$18 to \$22 in Texas.

Increased hog marketings and a lower dressed meat price resulted in weaker hog markets. Butchers lost \$1 to \$1.50 in Texas and Oklahoma, and sows around \$1. Denver's prices fell about 75 cents. Top butcher hogs brought \$18.75 Monday at San Antonio, \$18.50 at Fort Worth and Oklahoma City, and \$19.25 at the Denver yards.

Food markets remained unsettled, with only minor price changes. Increased supplies of hay sold about steady prices despite slow demand. Prices of shelled peanuts and peanut oil eased slightly this week.

Cotton showed little net change for the week. Spot middling 15-16 inch Monday: Dallas 28.80; Houston 29.10; Galveston 29.20; New Orleans 29.30; Little Rock 29.40.

Funeral Rites at McCaulley for Mrs. W. B. Mayo

Final rites for Mrs. W. B. Mayo, 69, well known McCaulley resident, were conducted in the McCaulley Baptist Church at 2:30 Tuesday afternoon.

Rev. L. R. Stuckey, pastor of the church, was in charge of the service, assisted by Rev. C. E. Dick of Crosbyton, former McCaulley pastor. Mrs. Mayo died in Callan Hospital, Rotan, early Monday following an extended illness.

A resident of McCaulley for 45 years Mrs. Mayo was well known in that area.

She is survived by her husband; a daughter, Mrs. Ed Fahey of Albuquerque; one son, Alvis Mayo of Grand Prairie, and six grandchildren.

Burial was in the McCaulley cemetery, directed by Barrow Funeral Home.

All living things can be grouped into main division, flora and fauna.

Governmental securities of Turkey and Russia are known as consols.

Hamlin Teachers Had Organization Meeting

Organization of the Hamlin chapter of the Texas State Teachers' Association was completed at a meeting in the high school auditorium Monday evening.

Joe W. Douglas is president of the chapter, and other officers elected are Mrs. Austin Poe, first vice chairman and Mrs. C. Weldon Griggs, assistant. Mrs. Holly Toler was named vice president in charge of publicity.

I. R. Huchingson, superintendent, reported on his trip to Austin, where he attended a conference of educators. He said the conference concerned the Gilmer-Aiken bill.

Walter Chalcraft, band director, was in charge of the program. He told of the work being done by the

band and glee clubs. He also gave a demonstration of a recording machine, and played records made by the band in its first week of practice.

Mrs. M. C. Wilson has been returned to her home in Hamlin after having undergone surgery and medical treatment in the Stamford Sanitarium.

Tetanus 'Shots' Are Advised by Health Officer

Lockjaw, or tetanus, is a very serious disease caused by a tiny germ that looks like a stick with a ball on one end—something like a microscopic lollipop. Dr. Geo. W. Cox, state health officer, said. This ball is called a spore and it is the seed of the germ. Lockjaw germs are found in the soil, especially in manured soil of the barnyard or garden; in blank cartridges; and in fact, just about everywhere. The germs grow best in wounds where there is considerable tissue destruction and in which chips of glass, wood splinters, or grains of dirt have been imbedded.

Every accident seen by the physician must be considered from the lockjaw angle; and whenever there is any question, tetanus antitoxin should be given, for it is the antitoxin that has helped to keep the incidence of lockjaw at its low level. Your physician will advise you as to its use. Its disadvantages are that it gives only temporary protection; it does not get rid of the lockjaw germs in the wound; and it does sometimes cause hives and other disagreeable symptoms for a few days, particularly if the subject has had previous injections. Should

lockjaw develop, it requires much antitoxin and entails great expense; and even then not all cases can be saved.

It is not possible to free the environment of lockjaw germs, but now there is a method of active immunization. The subject becomes his own manufacturing establishment for antitoxin to combat lockjaw poison.

In railroad parlance, a roundhouse is a building having stalls for the housing of locomotives.

The Navy is raising Air Force Ground Controlled Approach teams for use in the Berlin Airlift.

Over 58 per cent of the Naval Corps Reserve officers have a college degree.

The distance from the earth to the moon varies as much as 31,000 miles.

FRED L. CRING, Dallas, is the new assistant general passenger agent of the Missouri-Kansas-Texas Lines of Texas. J. F. Hennessey, Jr., vice president—traffic, has announced. His headquarters will be in Dallas.

H&H Theater Is One of Largest in Vicinity

One of the largest drive-in theaters in this section of Texas opened recently near Stamford, when the H&H was completed and began entertaining the show-going public.

The theater is equipped to take care of 300 cars at one time, it was announced this week, and each car is served by an individual speaker to assure all patrons of hearing the program clearly.

The theater is owned by Hodges Theaters, and is managed by D. J. Stone. Two shows are given each evening. The theater is located one-half mile north of Stamford.

Only about one seventh of an iceberg floats above water. A prestidigitator is a juggler or conjurer.

Lois Glass Circle Met In Patterson Home

Members of the Lois Glass Circle of the Women's Missionary Society of the First Baptist Church, met in the home of Mrs. LaFoy Patterson at 4 p.m. Tuesday.

Mrs. Stanley Hill was in charge of a business session and gave a short devotional. Mrs. Clyde Angel taught the Bible lesson from Deuteronomy.

The house was decorated with dahlias, gladioluses and gardenias. Refreshments of sandwiches, Fritos, hot tea and coffee were served.

Those present were Mrs. Edgar Duncan, Mrs. A. G. Irwin, Mrs. Leslie Shelburne, Mrs. George York, Mrs. Bill Shira, Mrs. Delma Shelburne, Mrs. B. V. Newberry, Mrs. Angel, Mrs. Hill and Mrs. Patterson.

Legal Notices

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, AND MARCH 3, 1933.

Of The Hamlin Herald published weekly at Hamlin, Texas for October 1, 1949.

State of Texas:

County of Jones: ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared June Jones, who, having been duly sworn according to law, deposes and says that he is the Business Manager of The Hamlin Herald and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management etc., of the aforesaid publication for the date shown in the above caption required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, Willard Jones, Snyder, Texas; Editor, Roy J. Curtis, Hamlin, Texas, Managing Editor, Roy J. Curtis, Hamlin, Texas; Business Manager, June Jones, Hamlin, Texas.

2. That the owner are: Willard Jones, Snyder, Texas; June Jones, Hamlin, Texas.

3. That the known bondholders, mortgages, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: Bose Reader, Stephenville, Texas.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is acting is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is 1,673.

(Signed) June Jones, Business Manager.

Sworn to and subscribed before me this 1st day of October 1949.

(SEAL) Signed: Faye Dean

Notary Public

(My commission expires June 1, 1950.)

Hamlin Woman's Literary Club Had First Meeting of Season in Abilene

Members of the Woman's Literary Club of Hamlin met last Friday for their opening program of the fall season. The occasion was the President's luncheon, given at 1 p. m. in the home of Mrs. Ann Smart, 1535 North Eighth, Abilene.

Arrangements were made by the yearbook committee are Mrs. Clyde Angel, Mrs. Buren Carlton and Mrs. Bill Shira.

Entertaining rooms of the Smart home were gay with autumn flowers and members were seated at tables centered with arrangements of dahlias and roses.

Mrs. Bowen Pope gave "Our Thanks," after which luncheon was served.

Immediately following the luncheon, Mrs. Ernest Jenkins, president, gave a talk on "Look to This Day," and Mrs. L. H. McBride, first vice president, gave the response. The

yearbooks were presented to the members.

Two new members were also presented to the club. They are Mrs. J. N. Burditt Jr., and Mrs. Weldon Johnson.

New officers of the club were honored. They are Mrs. Jenkins, president; Mrs. McBride, first vice president; Mrs. Angel, second vice president; Mrs. I. R. Huchingson, recording secretary; Mrs. Stanley Carmichael, corresponding secretary; Mrs. John Howard Jr., treasurer; Mrs. Tarlton, Willingham, parliamentarian; Mrs. John D. Ferguson, critic; Mrs. W. T. Johnson, musician; Mrs. Shira, reporter; Mrs. H. O. Cassle, librarian; Mrs. Thomas Ferguson, junior literary counselor, and Mrs. Shira, co-counselor.

Others present for the luncheon were Mrs. Henry Albritton, Mrs. W. A. Albritton, Mrs. Art Carmichael, Mrs. Edgar Duncan, Mrs. A. G. Irwin, Mrs. Jim H. King, Mrs. Dick Maberry, Mrs. J. W. McCrary, Mrs. R. D. Moore, Mrs. O. D. Roland and Mrs. E. J. Whaley.

Mrs. Raymond Griffin and her daughter, Shirley Raye, of Fluvana, spent the week end in Hamlin in the home of Mrs. Griffin's parents, Mr. and Mrs. F. M. Crow.

Mr. and Mrs. Edgar Childress have returned to their home after visiting in Fort Worth with Mr. and Mrs. J. A. Childress and Mr. and Mrs. John Vaughn.

On March 21 and September 22, the nights and days are of equal length all over the world.

Service Class Met in Home of Mrs. Cassle

Members of the Service class of the First Baptist Church met in the home of Mrs. H. O. Cassle at 12:30 last Wednesday for a covered dish luncheon and business session.

Roses and dahlias were used to decorate the living room, and a large bowl of dahlias centered the dining room table.

Mrs. W. C. Russell gave a devotional, using the 23rd Psalm as a theme for her talk.

During the business session of officers and committees gave reports, and plans were discussed for future work of the class.

Those present were Mrs. W. W. Green, Mrs. Paul Bryan, Mrs. W. C. Russell, Mrs. J. H. Morton, Mrs. Frank Williams, Mrs. W. S. Graham, Mrs. O. L. Wallace, Mrs. Bert Whaley, Mrs. Roy Carmichael, Mrs. W. C. Weir, Mrs. Y. A. McNeill, Mrs. Kenneth Scott, Mrs. C. C. Prater, Mrs. W. R. Terry, Mrs. Bowen Pope, and the hostess, Mrs. Cassle.

Paris is located on the Seine River.

McMurry Students in Church Program Here

A group of five McMurry students had charge of the Methodist Youth Fellowship program at the evening worship hour in the First Methodist Church here Sunday evening.

Morris Fisher, assistant pastor of the church, was in charge of the music program. Others on the program were Joe Harrison, Duane Byers, Cherry Ann Forrest, Pat Miller and Stanley Seaton.

At close of the evening service Seaton had charge of a program of games for members of the youth group.

Student Council to Be Organized Next Week

Organization of a student council among Hamlin High School students will be effected next week, B. V. Newberry, principal, said Wednesday.

Each class will have two representatives on the council, one if which will be the president of the class, Newberry explained. The council will also have two faculty

Papa Was a Welder ... So Inez Is One Too

Papa was a welder, so 18-year-old Inez Meaker, North Texas State College sophomore, is learning the trade.

The co-ed from Panhandle, Texas, is majoring in industrial arts and plans to become a draftsman.

Second girl in the 39-year history of the North Texas industrial arts department to take the welding course, Miss Meaker chose courses in metal work to complete requirements for her degree.

The blue-eyed, 5-foot, 8-inch brunet has an explanation for her welding skill. She modestly points out that she has picked up a few pointers from her father, who is a weld repairman.

The council will participate in matters relating to student welfare, and will have charge of chapel programs.

News From Our Neighbors

Events from nearby towns, taken from other papers.

MUNDAY—Erection of a new jail for Knox County was recommended by a recent county grand jury. The report said the present jail is neither safe nor adequate.

STAMFORD—Motocists in Stamford were greeted with 425 parking meters on downtown streets Monday morning, and began feeding nickles into the devices at 8 a.m. The meters were purchased on a trial basis by the city.

STAMFORD—Services for Mrs. Ethel Cone, 56, were conducted in Cisco last Thursday. Mrs. Cone died in the home of a daughter, Mrs. Earl Cotten, last Wednesday.

STAMFORD—A drive for support of the 1949 Community Chest got underway Tuesday morning when committees began solicitation of funds for the various agencies included in the chest.

ANSON—The name of Mrs. E. M. Pitman of Anson has been put in nomination for regional vice president of the state Parent-Teachers congress.

ANSON—Final rites for Mrs. Abe Jobe, 90, were conducted last Tuesday afternoon. Mrs. Jobe, a resident of the Anson area since 1891, died Sunday night in the home of her daughter, Mrs. Earl Lollar.

MERKEL—More than 700 visitors attended open house for the new REA building in Merkel last Wednesday. The new building was put up at a cost of \$75,000.

RULE—Claude Norman, who has served as postmaster for 15 years, has become carrier on rural route 2. Norman was replaced by M. E. Trice, who has served as substitute clerk for the past four years.

ROBY—Workmen have completed the job of repainting and repairing the county court house. The court room has been completely redecorated.

RULE—An ordinance setting a daily license fee of \$10 for peddlers has been passed by the city council.

ROBY—Dr. R. R. Lovelady of Santa Anna has assumed his duties as a physician in the Fisher County Memorial Hospital.

SPUR—Final rites for Horace P. Gibson, 57, were conducted last Wednesday afternoon. Gibson, who had lived in Dickens County for 39 years, died last Tuesday.

SPUR—Funeral services for William Hiram Taylor were conducted last Sunday afternoon. Taylor, 78, died last Saturday.

SPUR—Services for Mrs. C. R. Bennett, 63, were conducted last Sunday. She died last Friday.

SNYDER—Trial of Henry W. Strickland on a charge of murder got underway here Tuesday. The defendant is alleged to have caused the death of Robert C. Sperry, an oil field worker, in the Scurry County jail last June 27. Sperry's badly beaten body was found in the run-around of the jail.

SNYDER—Thousands of people attended the "welcome newcomer" program Monday and Tuesday of this week, when Gov. Allan Shivers was principal speaker.

SNYDER—Willie Jasper Buffalo, 42, was killed last Saturday afternoon when a gasoline drum on which he was doing some welding exploded. The accident took place about 4 o'clock at the Frank Arnett garage. The tank, which had been steam cleaned, is believed to have retained fumes from gasoline previously stored in it.

SNYDER—H. B. Thurman, 30, of Snyder died in a Colorado City hospital last Monday, the second victim of a car-truck crash south of Colorado City last Saturday morning. Mrs. Nina Grace Walton, of Snyder was killed instantly in the wreck, and Porter H. Riley, also of Snyder, was critically injured.

HASKELL—Haskell's largest and most ambitious production of the Central West Texas fair came to a close Saturday night, with all attendance records broken. The fair got underway last Thursday morning with a gigantic parade.

HASKELL—C. M. Baird, 65, farmer of the Haskell area, was reported recovering in a local hospital from injuries received when a tractor and disc plow ran over him.

He was thrown from the tractor last Monday, and fell in front of the plow. He lay helpless while he watched the tractor circle and pass over his body the second time. He lay there for more than two hours before he was found by a neighbor.

HASKELL—Funeral services for Mrs. Martha Kinnison, 78, were conducted last Monday afternoon. Mrs. Kinnison, a long-time resident, died in the home of her daughter last Saturday.

Mr. and Mrs. J. P. Morgan returned to their home in Hamlin Tuesday after having spent ten days in Lubbock as guests of their son, Denmn Morgan.

Patagonia is a region at the southern tip of South America. The original meaning of the word opera was "work."

AUXILIARY TO MEET
Regular meeting of the American Legion Auxiliary will be in the Legion hut next Monday evening, October 17. Following the business session the Auxiliary will have a social with refreshments. Members of the Legion will join them for games of 42.

Well-Stocked Medicine Cabinet Is Still Needed in Every Household

The household medicine chest, neatly stocked with helpful but harmless first aid equipment, could and should be one of the most important pieces of equipment in the home.

Jammed as it is, in many American bathrooms, with rusted razor blades, aged medicine bottles, various cosmetics and even unprotected insect poisons, it can be a menace.

Cleaning out the family medicine cabinet should not be left until the time when it is stuffed to capacity. It is a good rule to "weed out" the useless or harmful articles about once every two or three months, and at the same time check on the stock of necessary first aid supplies to be prepared for emergencies.

It should be unnecessary to warn that every bottle, jar or box in the medicine cabinet should be carefully labeled. Yet there are accidents every week caused by people drinking from or using toxic preparations taken from unlabeled or wrongly labeled containers.

Dangerous poisons, labeled or not, should never be placed in the medicine cabinet. They should be kept far out of reach of children, or of adults who might hurriedly be looking for a pain remedy and instead use something that might cause serious illness or even death.

Medicines prescribed by the doctor for a certain illness at a certain time should not be "hoarded" in the medicine cabinet for future use. Most prescriptions lose their usefulness with age and are likely to be harmful rather than useful if retained for future remedy.

Among first aid supplies that should be kept freshly stocked are sterile cotton, sterile gauze bandage, adhesive tape and antiseptics to prevent infection in minor cuts and bruises. A good antiseptic is mild tincture of iodine.

Most families prefer to keep on hand a mild laxative and a "headache reliever" like aspirin. While these remedies are not dangerous under ordinary circumstances, when taken infrequently and in small amounts, they are best used under the doctor's prescription and advice because there are times when they can become harmful or habit-forming.

When materials in the medicine chest are kept in an orderly and easily accessible fashion, time is saved in emergencies and neatness and cleanliness can be maintained in a part of the household where they are of special importance.

TURNER ELECTED

Earl Turner of Hamlin has been elected sophomore representative to the Student Advisory Board at Texas A and I College. The advisory board has been organized to give students better representation in affairs of the school. Each organization elects a representative to the board.

Vets May Apply for NSLI Without Exams

World War II veterans with service connected disabilities were reminded by Veterans Administration this week of an important deadline in connection with their entitlement to National Service Life Insurance.

Prior to January 1, 1950, such disabilities actually incurred in service between Oct. 8, 1940, and Sept. 2, 1945, if less than total in degree, are disregarded in determining eligibility under the health requirements for insurance purposes.

This means that veterans who might not otherwise qualify for insurance for health reasons may reinstate lapsed policies or buy new or additional insurance up to the \$10,000 maximum of they apply before the end of the year.

A physical examination is required, however, but is paid for by the VA.

Mrs. Madden to Head Methodist SS Class

Mrs. Hollis Madden has been installed as president of the Comrades Sunday school class of the First Methodist Church.

Mrs. E. M. Wilson is teacher of the class and Mrs. Holly Toler is assistant teacher.

Other officers installed were: Mrs. Ned White, vice president; Mrs. J. B. Terrell Jr., secretary; Mrs. Kenneth Parker, Mrs. John Kent Jones and Mrs. Valeria Hudson, nominating committee.

One hundred and forty six Englishmen were confined overnight in a dungeon 20 feet square, which came to be called "The Black Hole of Calcutta."

New York City is composed of five boroughs, the Bronx, Richmond, Queens, Manhattan, and Brooklyn.

\$112,000 Awards Set For Stock Show

Approximately \$112,000 in cash awards will be offered by the 1950 Southwestern Exposition and Fat Stock Show, which will open Jan. 27 and extend through Feb. 5.

The scene of the Fort Worth exposition will be the Will Rogers Memorial Coliseum and the cluster of buildings which give the show a plant unsurpassed for beauty and facilities in America.

In line with the steady, year-by-year progress carried out by the board of directors, a number of improvements will be noted by visitors. A new feed building and a second judging and auction arena have been built. Other structures added in the past few seasons include six livestock buildings extending over a 950-foot frontage and connected by a covered corridor; the horse show building, with space for 600 animals, and the pen and carload lots building, these structures represent an outlay of around \$2,000,000.

10 Million Visitors can't be wrong!

You, too, will enjoy a Fall vacation in Chicago

Your best vacation, experts say, is when you get a complete change from the things you ordinarily do.

That's one of the big reasons why 10 million visitors choose Chicago for their vacation each year.

Enjoy the thrilling panorama of Chicago's skyscrapers and magnificent parks from the 17-mile Outer Drive. Visit world-famous museums, art galleries, theatres and restaurants.

Let your local Santa Fe representative help you plan a Chicago vacation. Better make it now when Indian Summer brings clear, sunny days ... cool, restful nights.

For your copy of Santa Fe's new Chicago folder, just clip and mail coupon.

Make the going the best part of the trip

Gloria Gould Feted At Birthday Party

Gloria Gould was honor guest at a party honoring her fifth birthday, when her mother, Mrs. Don Gould, entertained Tuesday afternoon at Johnson's Drive-Inn cafe.

Games and songs were directed by Mrs. J. E. Beard, kindergarten teacher, after which birthday gifts were opened and displayed. Pictures of the group were made.

Refreshments of ice cream and cake were served in the dining room.

Those present were Mary Margaret Maberry, Linda Hudson, Terry Hudson, John Ferguson, Lou Ann Hawkins, Tommy Shelburne, Jerry Slaughter, Dottie Albritton, Gene Shelburne, Nada Kaye Hassen, Mary Louise Smith, Velta Hastings, Diane Townley, Mike Hartgraves, Jerry Brewer, Eddie Townley, Elizabeth Ann Johnson, Gloria Rodgers, Brenda Gould, Sunny Teague and the honor guest.

Adults present were Mrs. Ben Townley, Mrs. Alvin Hudson, Mrs. Beard and Mrs. Gould.

Mr. and Mrs. Bill Brown of Dallas are guests this week in the home of Mr. and Mrs. Woods Cowan of Celotex.

There were 13 men at the Last Supper.

Miss Vannie Bea Huling Exchanges Vows With Jimmy Ruth in Wichita Falls Rites

Miss Vannie Bea Huling became the bride of Jimmy Ruth, when vows were read for them in the home of the bride's brother-in-law and sister, Mr. and Mrs. Aaron Mallonee, in Wichita Falls, last Saturday morning at 8:30.

Rev. James H. Landers, pastor of the First Baptist Church of Wichita Falls, read the impressive single ring service.

Chosen colors of the bride, yellow and blue, were used in floral decorations. The ceremony was performed before the fire place, which was banked with yellow carnations, blue ribbons and greenery. Blue candles glowed on each end of the mantle.

The bride, a daughter of Mr. and Mrs. H. V. Huling of Hamlin, chose a taupe suit with brown and white accessories for her wedding. Her corsage was of gardenias.

Mrs. James Goode, sister of the bridegroom, served as matron of honor, and her husband served as best man.

Immediately following the ceremony a reception was given in the Mallonee home. The bride's table was covered with a white cloth, and appointments were a crystal punch service. A three-tiered wedding cake, topped with a miniature bride and groom, centered the table. Floral decorations in the dining room consisted of yellow daisies and blue candles.

Mrs. Clifford Carr presided at the punch service, and Mrs. Mallonee served the cake. Mrs. B. L. Brown was at the bride's registration book.

Mrs. Ruth was graduated from Hamlin High School last spring. During her school career she was affiliated with sports and social clubs.

Ruth is the son of Mr. and Mrs. W. J. Ruh of Archer City. He attended school in Electra. He is now employed by the Duffy Drilling Co.

Dr. Perrin Speaker At Meeting of PTA

Dr. E. D. Perrin was guest speaker at a meeting of the Elementary Parent-Teachers Association in the school gymnasium Thursday afternoon.

Mrs. O. T. Kelley, president, was in charge of the session. The High School Choral club sang several selections preceding the talk.

Dr. Perrin discussed the need of a vaccination program for school students, and the PTA voted to sponsor the program here on a voluntary basis.

Miss Lulan Vaughan's room was awarded first prize for having the largest percentage of mothers of students present at the meeting. Mrs. Leone Brown's room won second prize.

English Clubs Are Organized by Class

Three English clubs were formed by students of the eighth grade of Hamlin this week.

The 8-A English class named officers as follows: Don Crowley, president; Robert Angel, vice president; Kenneth Kelly, secretary;

49 PONTIAC

A Product of General Motors

Here's Where the Best Begins!

Most people look no further after they've had a good look at a 1949 Pontiac—they know that the best begins here!

Here is the best in beauty—with a "Silver Streak" personality all its own. Here is the best in performance—thanks to Pontiac's great engines, straight eight or six. Here is the best in comfort, luxurious detail and appointments.

And here is the best in real economy—a sensible price to begin with and the famous Pontiac record of rolling out miles and miles and miles with only routine servicing.

The best begins right in our showroom—come in and see!

THERE'S MORE COMFORT IN A PONTIAC!

It's so much nicer to ride in a Pontiac—there's loads of head- and leg-room, the doors are wide for easy entrance and exit. Every mile is smooth and comfortable.

Gayle's swallowed a bobby pin!

When her two-year-old daughter swallowed a bobby pin late one evening, Mrs. Chenoweth rushed to the telephone—and this series of calls followed. She says that she wouldn't even try to guess what these calls were really worth to her. But she can tell you what her actual cost was—less than 2¢ each! Mrs. Chenoweth knows the cost because she kept an accurate record of all her telephone conversations, then checked it against her monthly bill. "I never realized before," she reports, "how much the telephone helps me run our house, keep in touch with our friends and meet emergencies. It's a real bargain!"

To Mrs. Chenoweth's verdict, may we add: We're doing our best to make your telephone service a real bargain today...and to keep it growing in value every year. Southwestern Bell Telephone Company.

What else gives so much for so little?

Mrs. George Chenoweth
4454 S. Compton Avenue
St. Louis 11, Missouri.

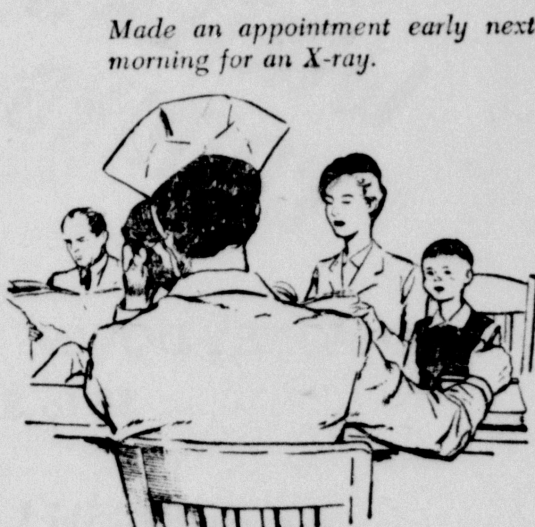

Called Gayle's doctor. But he isn't home!

Got our family doctor. Gayle's not choking, so no real danger!

Gayle's doctor called. Bring her in for X-ray in the morning.

Made an appointment early next morning for an X-ray.

Home from X-ray. Called my husband. Gayle's fine!

Rites Wednesday For Mrs. Fairey; Church Leader

Funeral services for Mrs. E. F. Fairey, 66, were conducted in the First Baptist Church here at 3:30 Wednesday afternoon.

Rev. J. Henry Littleton, former pastor of the church, was in charge of the service, and was assisted by Rev. A. R. Posey, pastor, and Dr. Will C. House, pastor of the First Methodist Church.

Mrs. Fairey died in the Hamlin Memorial Hospital at 11:30 Tuesday morning, following an illness that had been critical for only a few days. She had been in ill health for more than a year.

Born in central Texas, as Bernice

J. Jones, Nov. 14, 1882, she was married to Fairey on Oct. 31, 1900. Mr. and Mrs. Fairey came to Hamlin from Hico in 1920 and had made this their home for the past 29 years.

Mrs. Fairey was active in church work, and won a wide circle of friends in that manner. She was also active in women's club affairs.

She is survived by her husband; three sons, E. F. Fairey Jr., of Albuquerque, Archie Fairey of Rotan, and R. N. Fairey of Fort Worth; one daughter, Mrs. Weldon Johnson of Hamlin; two sisters, Mrs. Alex Groucy of Baton Rouge, La., and Mrs. Bess Absher of Durham, N. C.; one brother, Emmett Jones of Stamford, and by eight grandchildren.

Burial was in the East Cemetery, directed by Barrow Funeral Home.

The numerical division after trillion is quadrillion.

TEXAS TIME

There is no limit to Texas talents... even to watch-making. And no limit to the pride of this pretty Texas miss in her new Timex wrist watch, the first watch ever manufactured in Texas. By establishing a great watch factory in Abilene, The U. S. Time Corporation has chalked up another "first" for the Lone Star State.

Hitson WMU Named Officers Wednesday

Members of the Women's Missionary Union of Hitson Baptist Church elected officers at a meeting Wednesday afternoon.

Those elected are Miss Nora Bell Hill, president; Mrs. I. Berry, vice president; Mrs. Hubert Gray, mission and Bible study chairman; Mrs. Arah Jean, benevolence committee; Mrs. Albert Haught, publicity; Wanda Hill, stewardship; Mrs. Rhonda, community missions; Mrs. Marvin Hill, young people's secretary.

Ice Show Coming To Abilene; New Feature for Area

Something new—an ice show—is coming to West Texas.

The stage-show-on-ice, the first ever to be brought to this wide area, is produced by some of the outstanding skating stars of the nation and will be presented at Rose Field House, Hardin-Simmons University, Oct. 24 and 25.

There will be three performances in Abilene: an evening show Monday, Oct. 24, and matinee and evening shows Tuesday.

The sparkling two-hour show, "Ice Landia," has a cast of more than 30, including stars of "Icecapades," "Ice Follies," and other top-flight shows over the nation.

It is a completely self-sufficient show, carrying its own ice-making machinery, five miles of cooling

pipes, stage settings and costumes.

A big, elevated ice stage will be built in the middle of Rose Field House for the show. Crews will arrive in the city early and will begin the day before the task of freezing the big slab of ice which will be the stage.

Announcement of the big-time show was made by Dub Wofford, president of the Cowboy Club, the sponsor of the event.

A masque is a form of dramatic entertainment.

A dud is a shell which failed to explode.

An ingot is a piece of oblong, cast metal.

The main chapel of the Vatican in Rome is the Sistine Chapel.

As a colony, Virginia was often called The Old Dominion.

"Ally Oop!" is a signal used by acrobats.

She's Handy With a Needle

This Army nurse keeps the sterile instrument table outfitted for the surgeon in a modern, well-equipped operating room. The U. S. Army and the U. S. Air Force need more nurses now. Registered nurses, under the age of 45, with or without prior military service, are invited to apply for commissions in the Army Nurse Corps Reserve. Upon being commissioned, they may volunteer for Extended Active Duty with the Regular Army. Those meeting specified requirements may apply for commissions in the Regular Nurse Corps.
